Monday, May 6, 2024

1. **Meeting called to Order:** By President Fran @ 4:35
2. **Introduction of New Board Members:** Vice President-Craig Balfanz, Florence & Spread Eagle Trail Coordinator-Tim Wilcox, Homestead & Fence Trail Coordinator-Matt Petraska, Director at Large-Jim Geholf, and Jim Hixon.
3. **Trail Issues:** All Coordinators-will include but not be limited to assisting with any trail reroutes, brushing signing and grooming of the trails in their area. Communication is the key-with groomers & other coordinators.

Tipler & Long Lake Trail Coordinator has 2 snow drags, 1 for the tractor and one for the bombardier.

Many washouts on the trails, bad accident by Oxbow on washout. Pat has money left to fix washouts, the cost for the County to work on the washouts is 15x more than the club.

Forest service needs chain saw certificate to use a chain saw.

Keys aren't working on some of the gate locks, people are putting different locks on them.

Better communication helping others & coordination grooming trails is needed.

Who will do the training groom operators?

4. **Motion to Adjourn:** By President Fran @ 5:25
